About your insurance policy

This **Product Disclosure Statement (PDS**) and Policy Wording is an important legal document that has been designed to help **you** get the most out of **your policy**.

Your policy is a legal contract between you and us. The contract is based on the information you gave us when you applied for the insurance, and any subsequent information which you have supplied.

Your policy is made up of the PDS and Policy Wording, any Supplementary PDS (SPDS) we may send you, any endorsements and the policy schedule. You should read all these documents together to tell you what we cover, what we do not cover, what we pay to settle claims and other important information. We will provide cover under those Policy Sections specified in the policy schedule and for those Optional Insurances specified in the policy schedule.

The General Policy Conditions listed on pages 16 to 17, General Claims Conditions listed on pages 18 to 20 and General Exclusions listed on pages 21 to 22 apply to the whole **policy**. Unless otherwise expressly stated these apply to each of the Policy Sections, including any Extra Covers, Additional Benefits or Optional Insurances in those Policy Sections. Specific conditions, definitions and exclusions also apply to individual Policy Sections and any Extra Covers, Additional Benefits or Optional Benefits or Optional insurances in those Policy Sections.

Subject to **you** paying the premium by the due date, **we** agree to insure **you** during the **period of insurance**. The commencement date and expiry date of the **period of insurance** is specified in **your policy schedule**.

Some words used in this **PDS** have special defined meanings. These words are in **bold**. Most of the words **we** have defined are listed in the General Definitions on pages 23 to 26 or the Definitions of the applicable Policy Section.

Part B: Your Rights and Responsibilities

This part of the **PDS** and Policy Wording applies to all Policy Sections described in Part G. All policyholders need to read Part B.

Your duty of disclosure

Before **you** enter into an insurance contract, **you** have a duty to tell **us** anything that **you** know, or could reasonably be expected to know, may affect **our** decision to insure **you** and on what terms.

You have this duty until we agree to insure you.

You have the same duty before you renew, extend, vary or reinstate an insurance contract.

You do not need to tell us anything that:

- ▼ reduces the risk we insure you for;
- ▼ is common knowledge;
- ▼ we know or should know as an insurer; or
- we waive your duty to tell us about.

If you do not tell us something

If you do not tell us anything you are required to, we may cancel your contract or reduce the amount we will pay you if you make a claim, or both.

If your failure to tell us is fraudulent, we may refuse to pay a claim and treat the contract as if it never existed.

Cooling off period

You have the right to cancel and return the insurance **policy** or a section of the **policy** by notifying **us** in writing within 30 days of the date it was issued to **you** ("cooling off period") unless **you** wish to make or have made a claim under the **policy** within the cooling off period. If **you** cancel **your policy** or a section of the **policy** during the cooling off period, **we** will return the amount **you** have paid.

In addition, if **you** vary **your policy** (for example by adding a Policy Section, **endorsement** or increasing an **insured amount**), **you** have the right to cancel that variation within 30 days of the date it was added by notifying **us** in writing ("additional cooling off period") unless **you** wish to make or have made a claim under that variation within the additional cooling off period. If **you** cancel the variation during the additional cooling off period, **we** will return the amount **you** have paid for that variation.

To cancel **your policy** at other times, please see "Cancellations" below.

Cancellations

How you may cancel

You can cancel your policy at any time by telling us you want to cancel it. The cancellation takes effect on the date we receive your request. If you cancel your policy, we will refund the proportion of your premium for the unexpired period of insurance less any non-refundable government charges if the refund is more than \$10.

How we may cancel

We can cancel **your policy** at any time according to law. If **we** cancel **your policy we** will refund the proportion of **your** premium for the unexpired **period of insurance** less any non-refundable government charges if the refund is more than \$10. If **we** cancel **your policy** due to fraud, **we** will not refund any money to **you**.

If you pay by monthly instalments and an instalment is unpaid for more than 1 month, we can cancel your policy. We will send you a notice in writing regarding your non-payment at least 14 calendar days before any cancellation by us for non-payment. If after sending the above notice we do not receive the instalment payment, we will send you a second notice in writing, either:

v prior to cancellation, informing **you** that **your** instalment policy is being cancelled for non-payment; or

• within 14 days after cancellation by **us**, confirming **our** cancellation of **your** instalment policy.

If **we** pay out a claim for the full **insured amount** of **your building**, that cover ends. Any Policy Section, Extra Cover, Additional Benefit or Optional Insurance for that cover also ends.

If **we** pay out a claim for a **total loss** (as defined in Policy Section 11) of **your vehicle**, that cover ends. Any Policy Section, Extra Cover, Additional Benefit or Optional Insurance for that cover also ends.

When **your policy** ends as a result of **us** paying out a claim for the full **insured amount** of **your building** or **total loss** (as defined in Policy Section 11) of **your vehicle**, **we** will not refund any premium for an unexpired **period of insurance**. If **you** have been paying **your** premium by monthly direct debit instalments, **we** will deduct the remaining instalment premiums due for the unexpired **period of insurance** from the amount **we** pay for the claim.

The amount of your premium

The premium is the amount **you** pay **us** for this insurance and is specified in **your policy schedule**. It includes stamp duty, Goods and Service Tax (GST), other government charges and any Fire Services Levy (FSL) that applies. The amount of these taxes and charges will be specified in **your policy schedule**.

The premium does not include any service or administration fee charged to **you** by **your** insurance intermediary.

In addition to the factors **we** use to calculate **your** premium, the discounts **you** qualify for also affect **your** premium. **Your** premium includes any discounts **you** qualify for and these are applied before adding applicable government charges. **We** can withdraw a discount at any time. If **we** withdraw a discount it will continue to apply to **your policy** but it may be removed when **your policy** is varied or renewed.

Paying your premiums

You can pay in one annual payment or, if we agree, by instalments.

We will tell you how much you have to pay and how much time you have for payment.

You must pay the premium and other charges by the due date to obtain this insurance cover.

Any payment reminder we send you does not change the expiry or due date, unless we tell you otherwise. If you do not pay the premium and other charges in full, we may reduce the period of insurance so it is in line with the amount you paid.

Where **you** do not pay **your** premium by the due date for the first period of insurance with **us**, **we** can cancel **your policy**. Where **you** do not pay the premium for renewal by the due date, then the renewal policy will not commence and **your** cover will end at the expiry of the previous period of insurance.

If we accept your late payment, we may recommence your cover from the date we received your payment. If so, you will not have any cover from the expiry of the previous period of insurance until the date of payment.

If **you** change **your policy you** may be required to pay an additional premium. Where a change to **your policy** results in a premium increase, **you** will have to pay the amount by which **your** premium has increased by the due date to obtain the varied insurance cover.

Paying by monthly instalments

If **you** pay **your** premium by monthly instalments and **your** payment is overdue, **we** can refuse to pay a claim if payment is 14 days (or more) late.

Claims made and notified basis of cover

Policy Section 7 – Management Liability (excluding Optional Insurance 1 – Employee Dishonesty) is issued on a 'claims made and notified' basis. This means that it responds to:

- claims first made against you during the period of insurance and notified to us during the period of insurance provided that you were not aware at any time prior to the policy inception of circumstances which would have put a reasonable person in your position on notice that a claim may be made against them; and
- written notification of facts pursuant to section 40(3) of the Insurance Contracts Act 1984. The facts that you may decide to notify are those which might give rise to a claim against you. Such notification must be given as soon as reasonably practicable after you become aware of the facts and prior to the time at which your policy expires. If you give written notification of facts, your policy will respond even though a claim arising from those facts is made against you after your policy has expired.

When the **period of insurance** expires, no new notification of claims or facts can be made under Policy Section 7 – Management Liability (excluding Optional Insurance 1 – Employee Dishonesty) of the expired **policy** even though the event giving rise to the claim against **you** may have occurred during the **period of insurance**. An exception to this is under Additional Benefit 13 – Automatic Discovery Period of Policy Section 7, if any, under which some cover for new notification of claims or facts is available.

Excess

This is the amount **you** have to pay if **you** suffer **loss**, **damage** or incur liability which leads to a claim under **your policy**.

The amount and type of **excess** that applies to **your policy** is shown either in Part G of this PDS and Policy Wording or on **your policy schedule**.

If you claim under more than one Policy Section for one incident or **event**, then you only pay the highest **excess** that applies unless stated otherwise in the **policy**.

You may be required to pay one or more **excesses**. For example, Additional Benefits may have their own **excess** which may be in addition to any **excess** that may apply to a claim.

Part E: Other Information

How the Goods and Services Tax (GST) affects this insurance

In addition to the premium, we will charge you an amount on account of GST.

You must inform us of the extent to which you are entitled to an input tax credit (ITC) for your premium and claim each time that you make a claim. No payment will be made to you for any GST liability that you may incur on the settlement of a claim if you do not inform us of your entitlement or correct entitlement to an input tax credit.

GST has an impact on the way in which claim payments are calculated under **your policy**. We will calculate the amount of any payment we make to **you** having regard to **your** GST status. The amount we pay **you** for any claim will be calculated taking into account any **input tax credit** to which **you** are entitled for any acquisition which is relevant to **your** claim, or to which **you** would have been entitled were **you** to have made a relevant acquisition.

If you are not entitled to an **input tax credit** on **your policy** premium, all **insured amounts** and **limits of liability** stated in **your policy** are GST inclusive (unless **your policy** states otherwise).

If you are entitled to an input tax credit on any part of your policy premium, the insured amounts and limits of liability stated in your policy are exclusive of GST to the extent of your input tax credit entitlement.

In respect of **your policy**, where **you** are registered for GST purposes, **you** should calculate the **insured amounts** having regard to **your** entitlement to **input tax credits**. **You** should, therefore, consider the net amount (after all **input tax credits** have been taken into account) which is to be insured and calculate and advise to **us** an **insured amount** on a GST exclusive basis.

This outline of the effect of the GST on **your policy** is for general information only. **You** should not rely on this information without first seeking expert advice on the application of the GST to **your** particular circumstances.

'GST', 'input tax credit', 'acquisition' and 'supply' have the meaning given in A New Tax System (Goods and Services Tax) Act 1999.

Financial Claims Scheme

This policy may be a 'protected policy' under the Federal Government's Financial Claims Scheme (FCS) which is administered by the Australian Prudential Regulation Authority (APRA).

The FCS only applies in the unlikely event of an insurer becoming insolvent and the Federal Treasurer making a declaration that the FCS will apply to that insurer.

The FCS entitles certain persons, who have valid claims connected with certain protected policies issued by that insurer to be paid certain amounts by APRA. Information about the FCS can be obtained from www.fcs.gov.au.

Fraudulent claims

If **you**, or anyone acting on **your** behalf, or with **your** knowledge, makes a claim that is false or causes **loss** or **damage** deliberately, **we** may do one or more of the following:

- refuse to pay a claim;
- cancel your policy; or
- ▼ take legal action against **you**.

General Insurance Code of Practice

We support and adhere to the General Insurance Code of Practice. A copy of the Code can be obtained from the Insurance Council of Australia by:

- ▼ Telephone: (02) 9253 5100 or 1300 728 228
- ▼ Website: www.insurancecouncil.com.au

Terrorism Insurance Act 2003

Some sections of this policy exclude cover for damages as a result of terrorism.

In the event that damage to property occurs and the cause of the damage is declared a terrorist incident by the responsible Minister, then **you** may be afforded protection within the limits of indemnity of this policy by virtue of the Terrorism Insurance Act 2003. The operation of this Act may also serve to reduce the settlement of **your** loss to a percentage of the otherwise recoverable loss. In the event that the settlement is reduced, then this will be at the direction of the Minister.

A more detailed explanation of the operation of the Terrorism Insurance Act 2003 can be obtained at www.arpc.gov.au.

Updating Information

The information in this **PDS** and Policy Wording was current at the date of preparation. **We** may update some of the information in the **PDS** and Policy Wording that is not materially adverse from time to time without needing to notify **you**.

You can obtain a copy of any updated information by contacting **us** on 1300 888 071. **We** will give **you** a free paper copy of any updates if **you** request them. If it becomes necessary, **we** will issue a supplementary or replacement **PDS**.

Part F: Information for some policyholders

This Part applies to you if you are insuring:

- ▼ vehicles (not exceeding 2 tonnes) under Policy Section 11 Commercial Motor; or
- ▼ a home building under Policy Section 1 Property Damage, Policy Section 2 Theft or Policy Section 3 Glass,

and **you** are:

▼ an individual; or

- ▼ a small business having:
 - ▼ in the case of a non-manufacturing business, less than 20 employees; or
 - in the case of a manufacturing business, less than 100 employees.

You need to read this Part if it applies to you.

Home building means a **building** which is used or intended to be used principally and primarily as a place of residence.

An example of what is considered a **home building** is where the **building** is a commercial premise, but **you** may also live in the **building**, or **you** rent part of the **building** for residential use. If the **building** is only used by **you** for residential purposes, it cannot be insured under this **PDS** and Policy Wording.

Policy Section 1 – Property Damage

You may insure a **home building** under Policy Section 1, if used for a business, for **loss** or **damage** arising from an **event** during the **period of insurance**. If **you** lease out **your building** then **your** landlord's fixtures and fittings, including floor coverings, are insured as part of **your building**. **You** cannot insure a **home building** under Policy Section 1 unless **you** own the **building**.

Provided none of the exclusions listed in Policy Section 1 – Property Damage apply, **you** are covered for **accidental loss** or **damage** arising from **events** such as, but not limited to:

- ▼ fire;
- escape of molten material from its intended confines at the situation;
- lightning or thunderbolt;
- explosion or implosion;
- ▼ storm, wind and rain (including snow, sleet or hail but excluding flood);
- water damage;
- impact;
- riot or civil commotion;
- malicious damage (including by vandals and thieves); and
- ▼ earthquake, tsunami, subterranean fire or volcanic eruption, or fire resulting from any of these.

Policy section 2 – Theft

If you insure electronic equipment, contents, or stock against theft under Policy Section 2 we will also cover you for some damage that occurs to the home building as a result of the theft.

We will also cover you for damage to the building you rent, if the building is damaged as a result of a theft during the period of insurance.

Policy section 3 - Glass

Under Policy Section 3 you may insure against the **breakage** of **glass** which forms part of **your home building** during the **period of insurance**.

The amount you pay for Policy Sections 1, 2 or 3 (home building) or Policy Section 11 (vehicles)

The premium is the amount **you** pay **us** for this insurance and is specified in **your policy schedule**. The premium includes stamp duty, the Goods and Services Tax (GST), other government charges and any fire services levy (FSL) that applies. The amount of these taxes and charges will be specified in **your policy schedule**.

The premium does not include any service or administration fee charged to you by your insurance intermediary.

How various factors may affect your premium for Policy Sections 1, 2 and 3 (home building)

The following table is a guide to the significant factors which impact generally on **your** premium in relation to Policy Sections 1, 2 or 3 (for a **home building**).

| Factor | Lowers premium | Increases premium |
|---|--------------------------------|----------------------------------|
| Insured amount | Lower Insured amount | Higher Insured amount |
| Postcode | Low risk postcode | High risk postcode |
| Optional insurance | None taken | One or more taken |
| Claims experience | Low claims experience | High claims experience |
| Voluntary excess | Higher excess | Lower excess |
| Occupation | Low risk occupation | High risk occupation |
| Location | Low risk location | High risk location |
| Number of premises | Fewer premises | More premises |
| Building materials | More fire resistant materials | Less fire resistant materials |
| Endorsements | Reduces our risk or your cover | Increases our risk or your cover |
| Our expenses of doing business including payments we make to intermediaries | Low expenses | High expenses |

How various factors may affect your premium for Policy Section 11 (vehicles)

The following table is a guide to the significant factors which impact generally on **your** premium in relation to Policy Section 11 (for a **vehicle**).

| Factor | Lowers premium | Increases premium |
|---|--------------------------------|---|
| Type of cover | Legal liability only | Comprehensive or legal liability, fire and theft |
| Type of vehicle | Low risk vehicle | High risk vehicle |
| Market or agreed value | Market value | Agreed value |
| Vehicle accessories/ modifications | None specified | Accessories and modifications that increase the risk of insurance |
| Age of driver(s) | Over 25 years of age | Under 25 years of age |
| No claim bonus | Higher rating | Lower rating |
| Vehicle use | Low risk use | High risk use |
| Insured amount | Lower Insured amount | Higher Insured amount |
| Postcode | Low risk postcode | High risk postcode |
| Claims experience | Low claims experience | High claims experience |
| Optional insurance | None taken | One or more taken |
| Voluntary excess | Higher excess | Lower excess |
| Occupation | Low risk occupation | High risk occupation |
| Endorsements | Reduces our risk or your cover | Increases our risk or your cover |
| Our expenses of doing business including payments we make to intermediaries | Low expenses | High expenses |

When determining **your** premium **we** also take into account the age of the **vehicle**. This factor may lower or increase the premium depending on whether it means there is a higher chance of **you** making a claim and if so, for how much.

Why the cost of insurance can change

Your insurance premium can change during the **period of insurance** if the circumstances or risks covered by **your policy** change. For example **your** premium will change if **you**:

- ▼ change the use of the vehicle or add new covers to your policy; or
- change the use of **your premises** or add new covers to **your policy**.

Also, each time **you** renew **your** insurance **your** premium is likely to change, even if **your** circumstances or the risks covered by **your policy** have not changed. This is because premiums are affected by:

- the total cost of current and future claims;
- the cost of claims we expect to pay in the future;
- any changes in government taxes or charges;
- our expenses of doing business;
- ▼ other commercial factors; and
- whether indexation is specified in **your policy schedule**.

At renewal, we might decide to pass on all, or part of, any premium increase or decrease.

Premium discounts

The discounts **you** qualify for will be included in **your** premium and applied before adding applicable government charges.

At times, **we** may offer premium discounts to particular customers as part of a promotion or to take account of market conditions. The amount and type of discounts can change at any time before **you** take out this **policy**, or at **your** next renewal. **We** can vary or withdraw a discount at any time. If **we** withdraw a discount it will continue to apply to **your policy** but will be removed when the **policy** is renewed.

Excesses

An excess is your contribution to the cost of a claim. If you make a claim, you may be required to pay one or more excesses.

The description of those **excesses** and the circumstances in which they are applied are specified in the relevant Policy Section in Part G of this **PDS** and Policy Wording or in **your policy schedule**.

Policy Sections 1, 2 and 3: Excesses

The amount of the **excess** applying to Policy Sections 1, 2 and 3 is specified in **your policy schedule** or the relevant Policy Section. **We** take into consideration a number of factors when setting the amount of **your excess**, such as:

- ▼ your occupation;
- any voluntary excess that we may allow you to choose;
- ▼ your claims history; and
- ▼ any additional risk factors that are unusual or unique to your business circumstances.

Policy Section 11: Excesses

There are a number of **excesses** which apply to Policy Section 11. The amount of each **excess** (other than the Basic Excess) and the circumstances in which they apply is specified in Policy Section 11. The amount of the Basic Excess will be specified in **your policy schedule**.

We take into consideration a number of factors when setting the amount of your Basic Excess, such as:

- ▼ the make, model and type of **vehicle** being insured, including modifications made to the **vehicle**;
- ▼ any voluntary excess that we may allow you to choose;
- ▼ the age and driving experience of people who will be driving the vehicle;
- ▼ the insured amount of the vehicle;
- where and how the vehicle is used;
- the type of cover chosen;
- ▼ the place where your vehicle is garaged;
- **vour** previous insurance and claims history; and
- Optional Insurances and endorsements that apply to your policy.

Part G: Retail Services Policy Wording

Important information

1. Who is insured?

The **policy** provides insurance only for the parties specified in **your policy schedule** unless otherwise stated in individual Policy Sections.

2. Policy limits

We will not pay any more than the **insured amount** or **limit of liability** or sub-limit for each Policy Section, part of a Policy Section or individual item or cover that is specified in **your policy schedule**, unless **we** specifically state otherwise in **your policy**.

General Policy Conditions

These conditions apply to the whole **policy**.

1. Change to risk

Our decision to insure you, and the premium that we charge you, is based on information provided by you about your business and property insured. Your insurance, including the amount of premium, may be affected if any of the facts or circumstances that existed at the start of the policy change during the period of insurance, including, for example:

- ▼ the **business** is permanently discontinued;
- ▼ you are convicted of a criminal offence;
- the nature of or type of business carried on by you or your tenants;
- the occupation and activities carried on by the tenants of **your buildings**;
- other circumstances that affect the premises or the property insured in such a way as to increase the risk of damage or loss;
- as property owner you intend to either redevelop or demolish your property insured, have lodged an application to do this, or a government authority has issued a demolition order;
- ▼ your interest in the policy ceases, including by operation of law;
- **vou** or the **business** are insolvent, wound up or subject to external administration;
- details of any conversion or modification to your vehicle made by someone other than the manufacturer;
- ▼ if there is anyone under the age of 25 years who is likely to be a regular driver of the **vehicle**; and
- change of your address, your vehicle, your vehicle's garage postcode or the way you use your vehicle.

You must immediately notify us of any of the above changes or any other changes that may increase the risk insured under your policy.

If you are a property owner insuring **buildings** that you lease, our decision to insure you and the premium we charge you will take into account information about your tenants and how the **building** is used that you tell us when you apply for insurance with us, during the **period of insurance** and at each renewal. For this reason it is important that you tell us as soon as these things change.

For example, if **your building** has three tenants (an accountant's office, a jeans retailer and a sandwich bar), **we** will calculate **your** property premium on the sandwich bar, as it is more hazardous than either of the other two occupations. If during the **period of insurance** the sandwich bar closes down and a menswear shop opens, then **you** must notify **us** of the change and **we** will calculate **your** property premium either using the jeans retailer or menswear shop, whichever is the more hazardous occupation.

If we agree to the changes you tell us about, we will confirm this in writing. In some cases, we may only agree to continue to insure you under this policy if you agree to pay us an additional premium.

2. Reasonable care and reducing risk

You must take all reasonable steps to ensure that you and your tenants:

- maintain buildings, structures, fixtures, fittings, furnishings, appliances, machinery, implements and plant in sound condition to minimise or avoid theft, loss or damage;
- ensure that only competent employees are employed;
- avoid or minimise **loss** of, or **damage** to, property or injury to other people;
- comply with all laws, statutory obligations, by-laws, regulations, public authority requirements and safety requirements;
- obtain certificates of inspection for all equipment required by any statute or regulations to be certified; and
- comply, at your expense, with all our recommendations to prevent or minimise theft, loss or damage.

You must:

- ▼ take all reasonable steps to prevent loss of, or damage to, your vehicle;
- **v** take all reasonable care to prevent injury to another person or **damage** to another person's property; and
- ▼ keep all **vehicles** in a roadworthy condition.

3. Hazardous or dangerous goods

When hazardous or dangerous goods are used by the **business** or stored at any **premises** specified in the **policy schedule**, then such goods must be stored and used strictly in accordance with all statutory obligations, by-laws, regulations, public authority requirements and safety requirements.

4. Other interests

You must tell **us** if **you** want **us** to record the interests of any third party beneficiaries (for example, banks or lessors) in any item insured under any Policy Section in this **policy**. If **we** agree to record the interest of a third party beneficiary, this will be specified in the **policy schedule**.

If a third party beneficiary's interest is not recorded, insurance cover will not extend to their interest and they will not be able to make a claim under this **policy**. All third party beneficiaries must comply with all the terms and conditions of **your policy**, including without limitation, the obligation to notify **us** and give **us** details of any other insurance that insures any risk insured by this **policy**.

5. Transfer of interest

No interest in this **policy** can be transferred without **our** written consent.

6. Unoccupancy

You must ensure that any **building** at the **premises** does not stay unoccupied or, if **you** are the **building** owner, untenanted, for a continuous period of 60 days or more. You are not insured while the **building** is unoccupied for a period of 60 days or more, unless **we** agree to insure **you**.

If any **building** will or is likely to be unoccupied or untenanted for such a period, **you** must notify **us** immediately. If **you** notify **us** that the **premises** will be unoccupied or untenanted for a continuous period of 60 days or more and **we** agree to continue to insure **you** under this **policy** during the period where the **building** is unoccupied or untenanted, **we** will confirm this in writing.

You may be required to pay an additional premium and we may apply different conditions and impose a higher excess if we agree to this.

7. Notification of other insurance

You must notify us of any other insurance that insures any risk insured by this **policy** and provide us with the details of the other insurance.

8. Changes in or waivers of the policy

No changes in the **policy** will be valid unless agreed in writing by **us**.

No waiver of any requirements of the **policy** shall be valid unless it is given to **you** in writing.

9. Multiple insured parties

Except as otherwise expressly provided in Policy Section 6 – Public and Product Liability, Policy Section 7 – Management Liability and Policy Section 10 – Tax Probe, where there is more than one person or organisation insured under this **policy**:

- any notice given by us under this policy to any one of you specified in the policy schedule will be deemed to be notice given to all of you;
- any misrepresentation or fraudulent actions or statements made by any person or organisation will be deemed to be made by all of you; and
- ▼ any claim made by any person or organisation will be deemed to be a claim made by all of you.

10. Keeping us up to date

You must tell us at the commencement of your policy and at each renewal if any authorised driver of your vehicle, including you, has within the past 5 years:

- ▼ had a licence endorsed, suspended or cancelled;
- been charged or convicted of any criminal offence relating to arson, drugs, firearms, burglary, housebreaking, theft, robbery, receiving stolen goods, fraud, criminal or wilful damage or injury, assault to anyone;
- ▼ been charged with or convicted of any motor offence or motor infringement (but not parking fines).

General Claims Conditions

These conditions apply to the whole **policy**.

You must comply with these conditions if an **event** occurs which may lead to, or results in, a claim. If **you** do not comply with these conditions, **we** may refuse **your** claim or reduce the amount **we** pay **you**.

1. Claim notification

You must:

- notify the police immediately following a theft or attempted theft of any property insured or if any property insured is misappropriated, lost or maliciously damaged;
- notify us as soon as possible and give us all known details of the event including the police event number if available;
- immediately provide us with any legal document or other communication you receive about the claim, including any legal proceedings brought against you; and
- provide us with all information and documentation that we request. If we ask you for a statutory declaration verifying the details of your claim and any other matters connected with the claim, you must provide it.

2. Minimise loss

You must:

- take all reasonable precautions to minimise or prevent further loss, damage, legal liability, injury or illness; and
- ▼ take all reasonable steps to recover **lost** or stolen **property insured**.

3. Retain all damaged property

You must:

- retain and preserve all damaged property for inspection by us or our agent (including a loss adjuster) prior to authorisation of repairs unless alterations and repairs are immediately necessary, for safety reasons or to minimise or prevent further loss, damage, legal liability or injury. If repairs are necessarily carried out without our prior approval, you are still required where reasonably practicable, to retain and preserve all damaged property for our inspection; and
- retain and preserve all property, products, plant and all other things that may assist us in investigating or defending a claim against you.

4. Proof of ownership

If you make a claim for property insured that is lost, stolen or damaged, you must provide proof of ownership or legal responsibility for such property insured and evidence of its value, if we ask for it. We will decide what is acceptable proof of ownership and value for any property insured based on what property insured you are claiming for, how old the item is and its residual value.

We understand you may not keep such information for every business item you own, especially if items are recorded in your books of account. You or your accountant may have records for tax purposes and these may be sufficient to prove ownership and value of the property insured.

5. Cooperation

You must co-operate and provide **us** with all reasonable assistance in connection with any investigation, negotiation, recovery, defence, legal proceeding or settlement of any claim including doing all things necessary to allow **us** to take over legal proceedings **you** are party to.

6. Proof of fraud or dishonesty

You must supply us with all records and documents that may assist us in substantiating and investigating the act of fraud or dishonesty and your rights of recovery. This includes, but is not limited to, all records (including computer, electronic, physical, accounting and audit records), video and audio recordings, working papers, internal memoranda and police reports.

7. Admitting liability

You must not admit liability for any loss, damage, legal liability or injury, or settle or attempt to settle or defend any claim without our written consent.

8. Repair or replacement

You must not authorise the repair or replacement of any insured item without **our** agreement except in the case of an emergency where **you** are required to prevent further loss or damage to that item as a result of the emergency.

9. Conduct of claims

We are entitled to conduct claims and proceedings. This includes the right to take over and conduct in **your** name the defence or settlement of any claim or proceeding. At all times we have the right to make admissions, negotiate and settle a claim or proceeding on terms we consider appropriate. You are not permitted to make any admission of liability, offer, promise or payment without **our** written consent. We may engage legal or other representatives to assist in the conduct of a claim or proceedings.

10. Paying your excess

You must pay the excess that applies to a claim under this **policy**. Any excess that is applied to your claim must be paid in full prior to settlement of that claim.

We have no liability to you under this policy until you have paid the excess. If the excess has been requested but remains unpaid we may:

- ▼ decline to settle the claim pending full payment of the excess; or
- ▼ deduct the **excess** from the settlement.

The **excess** that applies will depend on the circumstances of the claim. Some Additional Benefits and Optional Insurances have their own **excess** which are in addition to any other **excess** that may apply to a claim. When multiple **excesses** apply, **you** might have to pay more than one type of **excess** when **you** make a claim.

The amount of the **excesses** and the circumstances that each **excess** applies to are specified in **your policy schedule** or set out in the applicable Policy Section. We will tell **you** how to pay **your excess** and who to pay it to. In some cases, **we** will direct **you** to pay the **excess** directly to a supplier or repairer.

11. Our rights of possession

We, our employees or our agents have the right to enter any building or area where loss or damage has occurred and take possession of property insured or require the property insured to be delivered to us. We will deal with this property in a reasonable manner.

12. Claims settlements

(A) ITC entitlement

If any event occurs which gives or may give rise to a claim, you must tell us your entitlement to input tax credits (ITC) if you are registered, or are required to be registered for GST purposes. If you do not inform us of your entitlement, or the information you give us is incorrect, we will not cover you for any resulting fines, penalties or tax liability you incur. When we calculate a payment to you for your claim, we can reduce it by any input tax credit you are, or would be, entitled to receive.

(B) Cash payments

Any cash payments made to **you** under this **policy** will be based on costs including GST. However, if **you** are, or would be, entitled to claim any **input tax credits** for the repair or replacement of the **property insured** or for other things insured by the **policy**, we will reduce **our** payment to **you** by the amount of **your input tax credit** entitlement.

(C) Discharge of our liabilities

If, at any time, **we** pay **you** the **insured amount** or **limit of liability** for any claim under this **policy**, **we** do not have any further liability to **you**. We may also pay any Extra Covers, Additional Benefits or Optional Insurance that are expressed to be in addition to the **insured amount** or **limit of liability**.

(D) Salvage

After settling a claim by replacing any **damaged** or **lost property insured**, if **we** so elect, that **damaged** or **lost property insured** (other than a **building**) becomes **ours** and **we** are entitled to receive the proceeds of any salvage.

13. Claims preparation expenses

We will pay for accountant, claims consultants, surveyors, architects, engineers and other professional fees necessarily and reasonably incurred for the preparation of a claim covered under this **policy** other than under Policy Section 5 – Business Interruption, Policy Section 7 – Management Liability or Policy Section 10 – Tax Probe. The most we will pay is the lesser of \$20,000 or 25% of the total amount payable under the applicable Policy Section, as a result of an **event**. This benefit is in addition to the **insured amount**.

14. Rights of recovery

If you have suffered loss or damage as a result of an event or occurrence covered, or partially covered by this policy, then we have the right and you permit us to take action or institute legal proceedings against any person, company or entity legally liable to you for the recovery of your insured, underinsured or uninsured losses, payments made and expenses in relation to the event or occurrence (Your Loss). Any action or legal proceeding will be commenced in your name. You must provide us with all information and reasonable assistance in the recovery of Your Loss, including providing us with any documents that prove Your Loss.

If you have commenced action or instituted legal proceedings against any person, company or entity legally liable to you for Your Loss, we have the right and you permit us to take over and continue that action or legal proceeding. You must provide us with all information and reasonable assistance in the recovery of Your Loss, including providing us with any documents that prove Your Loss.

Where recovery of Your Loss forms part of any representative proceeding which has not been instituted under **our** instructions, **we** have the right and **you** permit **us** to exclude Your Loss from that representative proceeding for the purpose of including Your Loss in a separate representative proceeding which is or will be instituted under **our** instructions (Our Representative Proceeding). **You** must provide **us** with all information and reasonable assistance in the recovery of Your Loss as part of Our Representative Proceeding, including providing **us** with any documents that prove Your Loss.

You must not enter into any agreement, make any admissions or take any action or step that has the effect of limiting or excluding your rights and our rights to recover Your Loss without first obtaining our approval in writing to do so.

15. Subrogation agreements

If another person, corporation or organisation is, or could have been, liable to compensate **you** for any **loss**, **damage** or legal liability otherwise covered by the **policy**, but **you** have agreed with that person, corporation or organisation either before or after the **loss**, **damage** or legal liability occurred that **you** would not seek to recover any money from them, **we** will not cover **you** under the **policy** for any such **loss**, **damage** or legal liability.

Policy Section Conditions

These conditions apply to the entire Policy Section.

1. Underinsurance

In the event of loss or damage covered under this Policy Section:

- (a) for claims settled on a reinstatement or replacement basis, we will be liable for no greater proportion of the loss or damage than the total declared value for all property (excluding specified items) at the premises where the loss or damage occurs, bears to 80% of the cost (net of any input tax credit that you could claim) which would have been incurred in reinstatement at the time when the policy was entered into, if the whole of the property (excluding specified items) had been destroyed at that time; or
- (b) for claims settled on an indemnity basis, we will be liable for no greater proportion of the loss or damage than the total declared value for all property (excluding specified items) at the premises where the loss or damage occurs, bears to 80% of the indemnity value (less any Goods and Services Tax component of that value) of the property (excluding specified items) at the time when the policy was entered into.

This condition does not apply if the amount of any **loss** or **damage** (net of any **input tax credit** that **you** could claim) is less than 5% of the **total declared value** for all **property** (excluding **specified items**) at the **premises** where the **loss** or **damage** occurs.

2. Seasonal increase period

You do not have to tell us what the dates of the seasonal increase period are. However, if you make a claim under this Policy Section then your financial records over the previous two (2) years must substantiate the period as a seasonal increase period. If the business is less than 2 years old, you can use the financial records of your business from the date of commencement until the date of the loss or damage to substantiate your claim.

3. Sprinklers and fire alarm systems

All fire protection systems (either manual or automatic sprinkler or alarm systems) in the **building(s)** and which **you** own or have responsibility for maintaining must be maintained in accordance with the Australian Standards Maintenance Series (A.S. 1851 or any subsequent amendments).

4. Indexation

If **your policy schedule** records that indexation applies, **we** will automatically adjust the **insured amounts** specified for this Policy Section in **your policy schedule**, each year according to the most appropriate price index (as determined by **us**) and any other relevant indices published by the Australian Bureau of Statistics.

The premium you pay will be based on the adjusted insured amounts specified in your policy schedule.

5. Hazardous goods

Hazardous goods used in the **business** must be stored in quantities and in a manner as permitted by statutory obligations, by-laws, regulations, public authority requirements and safety requirements.

What we pay

The maximum **we** will pay for any one (1) claim for **loss** or **damage** to **property** covered under this Policy Section, other than a claim for a **specified item**, is the total of all **insured amounts** as specified in **your policy schedule** or adjusted in accordance with this Policy Section, whichever is more.

The maximum amount **we** will pay in respect of a **specified item** is the **insured amount** noted for that item under the heading 'Other' in **your policy schedule**.

For **contents** that are works of art, antiques or curios **we** will only pay the value of the item up to a maximum of \$10,000 for each item, unless they are a **specified item**. For any item of **contents** or for any **specified item** that is part of a pair or set **we** will pay the relevant limit that applies to the pair or set.

1. Building(s), specified items or business contents apart from customers' goods

Reinstatement or replacement

Unless the **policy schedule** shows **you** are insured for 'Indemnity' then, when **buildings**, **specified items** or **contents** apart from **customers' goods** are **lost** or destroyed **we** will, at **our** option:

- (a) rebuild the **buildings** at the **premises** specified in the **policy schedule** or at another site;
- (b) replace contents or specified items with similar property;
- (c) pay you the amount shown on the proof of purchase for specified items;
- (d) pay **you** the amount of a valuation by the Auctioneers and Valuers Association of Australia for **specified items** of works of art, antiques and curios; or
- (e) pay the cost of rebuilding or replacing the buildings, specified items or contents.

If the **buildings**, **specified items** or **contents** apart from **customers' goods** are **damaged**, then **we** will, at **our** option:

- (a) repair or replace the buildings, specified items or contents; or
- (b) pay the cost of repairing or replacing the buildings, specified items or contents.

Reinstatement or replacement is subject to the following conditions:

- (a) the work of rebuilding, replacing or repairing must be commenced and completed by you within a reasonable time, otherwise the amount we pay will be the indemnity value of the property. This means we will reduce the amount we pay you to take into account age, wear, tear and depreciation.
- (b) when rebuilding at another site, we will not pay more than we would pay to rebuild at the premises.
- (c) when any **property** is **damaged**, but not destroyed, **we** will not pay more than the amount that **we** would have been required to pay if that **property** had been destroyed.
- (d) **we** will only pay to return the **property** to a condition substantially the same as, but not better or more extensive than, its condition when new, using building materials readily available and in common use in Australia.

2. Indemnity (Optional reduction in cover)

If the **policy schedule** shows **you** are insured for 'Indemnity' then, for any **loss** or **damage** to **building(s)** or **contents** apart from **customers' goods we** will, at **our** option:

- (a) repair, reinstate or replace the buildings or contents;
- (b) pay you the market value of the buildings or contents at the time of its loss or damage; or
- (c) pay the cost of repair or replacement.

In all cases, where appropriate, **we** will reduce the amount **we** pay **you** to take into account age, wear, tear and depreciation.

3. Extra costs of reinstatement or replacement: Building is not a heritage building

If **you** are insured under this Policy Section on a reinstatement or replacement basis, **we** will also pay the extra cost of reinstatement or replacement of **buildings** which are necessarily incurred to comply with the requirements of any Act of Parliament or any by-law or regulation of any Municipal or other statutory authority, other than those relating to the heritage status of the **building**.

The extra costs of reinstatement or replacement are subject to the following conditions:

- (a) the work of reinstatement must be commenced and completed within a reasonable time;
- (b) the amount payable will not include any additional costs in complying with any requirement that **you** were required to comply with before the **loss** or **damage** occurred; and
- (c) if the cost of reinstatement of the **building** is less than 50% of what would have been the cost of reinstatement if that **building** had been totally destroyed, then the amount **we** will pay will:
 - (i) be limited to the extra cost necessarily incurred in reinstating the damaged portion of the **building** only;
 - (ii) not include any extra cost in relation to any portion of the building which is not damaged; and
 - (iii) will not exceed, in any event, the amount that **we** would have paid if that **building** had been totally destroyed.

4. Extra costs of reinstatement or replacement: Heritage building

If you are insured under this Policy Section on a reinstatement or replacement basis for loss or damage to any building that is subject to any heritage listing or protection and you choose to rebuild, replace or repair the building at the same location, we will pay the extra costs of repairing, replacing, or reinstating the building, that are related to obtaining special materials or employing specialised labour to match up or reproduce unique or distinctive ornamental or architectural features of the building to comply with standards imposed by a lawful heritage protection authority.

We will not pay more than the costs necessary to rebuild, replace or repair any such heritage listed **building** to a reasonably equivalent appearance and capacity using original design and suitable modern equivalent materials, if the original materials are not available.

The extra costs of reinstatement or replacement of a heritage building are subject to the following conditions:

- (a) the work of reinstatement must be commenced and completed within a reasonable time; and
- (b) the amount payable will not include any additional costs in complying with any requirement that **you** were required to comply with before the **loss** or **damage** occurred.

5. Loss of floor space

If a **building** insured under this Policy Section on a reinstatement or replacement basis can only be rebuilt with a reduced floor space as a result of:

- (a) an Act of Parliament or regulations; or
- (b) a by-law or regulation of any Municipal or other statutory authority;

we will, in addition to reinstating or replacing the **building** on the basis set out above for the **building** with a reduced floorspace, pay **you** the difference between:

- (i) the actual cost of rebuilding the building with the reduced floor space; and
- (ii) the estimated cost of rebuilding the **building** with the floor space it had at the time of its destruction.

6. Stock

If stock is lost or damaged, we will, at our option:

- (a) pay the market value of the **stock** at the time of the **loss** or **damage** up to but not exceeding the 'Stock' **insured amount** specified for this Policy Section in **your policy schedule**;
- (b) pay **you** the market value of obsolete stock or its purchase price (net of GST), whichever is the lesser, but no more than the original cost to **you**;
- (c) replace or repair the **stock** with property or materials equal to or of a similar standard and specification as the **stock** at the time it was **lost** or **damaged**; or
- (d) pay the cost of repair or replacement of the lost or damaged stock.

7. Branded stock

We will not sell branded stock as salvage without your consent.

If **you** do not agree to **us** selling the branded **stock** as salvage, **we** will pay the market value of the **stock** after brands, labels or names have been removed.

8. Electronic equipment

For valves, tubes and light sources in electronic equipment we will, at our option:

- (a) replace or repair the valves, tubes or light sources as far as possible to the condition they were in at the time of **loss** or **damage**; or
- (b) pay the cost of repair or replacement.

In either case, for valves, tubes and light sources **we** will reduce what **we** pay **you** to take into account wear and tear, depreciation and betterment.

Excess

You must pay the excess specified in your policy schedule that applies to a claim under this Policy Section.

If **you** are making a claim for **loss** or **damage** as a result of earthquake, tsunami, subterranean fire or volcanic eruption, the **excess** for each claim is the lesser of:

- (a) \$20,000; or
- (b) 1% of the total **insured amount** specified in **your policy schedule** that relates to the **damaged property** at the **premises**.

For example, where the **insured amount** specified in **your policy schedule** for 'Buildings' is \$1,000,000 and the **insured amount** for 'Contents' is \$500,000 and an earthquake causes **damage** to the **buildings** and **contents**, **you** will be required to pay an **excess** of \$15,000 (1% of \$1,500,000) as this amount is less than \$20,000.

You will only be required to pay one (1) **excess** for **damage** that results from earthquake, tsunami, subterranean fire or volcanic eruption, or fire resulting from any of these during any period of 72 consecutive hours. **Damage** arising from any of these that occurs more than 72 hours after the event will be considered to be a separate event, in which case **you** will be required to pay an additional **excess**.

Worked dollar claim examples

The following worked dollar claim examples are designed to assist **you** in understanding some of the benefits in this Policy Section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **your policy** terms and conditions. The following should be used as a general guide only. We always determine real claim payments on an individual basis, after **we** have assessed each claim. **You** should consider all examples as each example covers different benefits and scenarios.

All amounts are shown in Australian dollars and are GST inclusive unless indicated otherwise. **You** should read the **PDS** and **your policy schedule** for full details of what **we** cover as well as what policy limits, conditions and exclusions apply.

You have cover for a building that is used as both a hairdressing salon and your residence. For this reason it is a home building. Indemnity is not shown on your policy schedule, so you have cover on a replacement value basis. The total of all insured amount values in your policy schedule is specified as \$400,000 (the total of the insured amount shown on your policy schedule for the building of \$380,000, contents of \$10,000 and stock of \$10,000) and the excess specified in your policy schedule is \$250.

When setting the 'Building' insured amount you must consider the costs to remove debris and payment of any architect fees. The building is damaged in a storm and we assess the cost of repairs to be \$50,000.

| How much we pay | | Further information |
|---|-----------|---|
| Cost of repairing the storm damage to your building | \$50,000 | We normally decide the building is repairable if the cost of repairing the building is less than the insured amount (in this example the insured amount is \$380,000). |
| Removal of debris | +\$30,000 | In addition to the damage to the building, the storm has created building debris that requires cleaning up and removal. The most we will pay under Extra Cover 5 of this Policy Section for removal of debris is \$50,000. |
| Less excess | -\$250 | We deduct this from the amount we pay. We may require you to pay this amount directly to the repairer. |
| Total claim | \$79,750 | We normally pay this amount directly to the repairer. |

Underinsurance on a partial loss

In the above example, if the actual replacement value of the building at the time the policy was entered into was \$580,000 but you had only insured the building, contents and stock for \$400,000, the amount we pay will be reduced in accordance with the underinsurance condition in this Policy section.

The amount we would pay before we deduct the excess will be calculated as follows:

| Total claim of \$80,000 x | \$400,000 | \$68,966 |
|---------------------------|-------------------|----------|
| | (80% x \$580,000) | |

You have cover for a building that is used as both a cafe and your residence. For this reason it is a home building. Indemnity is not specified in your policy schedule so you have cover on a replacement value basis. The insured amount on your policy schedule is specified as \$2,500,000 and the excess specified in your policy schedule is \$250. The building is damaged in an earthquake and we assess the cost of repairs to be \$1,000,000.

| How much we pay | | Further information |
|--|-------------|---|
| Cost of repairing the earthquake damage to your building | \$1,000,000 | We normally decide the building is repairable if the cost of repairing the building is less than the insured amount (in this example the insured amount is \$2,500,000). |
| Removal of debris | +\$80,000 | In addition to the damage to the building, the earthquake has created building debris that requires cleaning up and removal at a cost of \$80,000. |
| | | The most we will pay under Extra Cover 5 of this Policy Section for removal of debris is \$50,000. |
| | | However, as the removal of debris costs are more than \$50,000 and the total declared value has not been exhausted, we will pay up to the unexhausted amount remaining from the total declared value to cover the removal of debris costs not covered by Extra Cover 5. |
| Less excess | -\$20,000 | We deduct this from the amount we pay. We may require you to pay this amount directly to the repairer. |
| Total claim | \$1,060,000 | We normally pay this amount directly to the repairer. |

- (b) the appointment of a receiver, controller, administrator or liquidator to the **policyholder**, or the commencement of a scheme of arrangement or compromise or a winding up process in respect of the **policyholder**,

then this Policy Section will remain in force until the expiry of the **period of insurance**, but only in respect of **loss** resulting from **claims** based on **wrongful acts** committed or alleged to have been committed prior to the events described in (a) or (b) above.

2. Severability and imputation

For the purposes of this Policy Section, any knowledge or information possessed by any past, present or future chief executive officer, chief operating officer, chief financial officer, chief legal officer (or similar positions) or chairman of the board of **directors** shall be imputed to the **company**.

The **proposal** made to **us** prior to entering into this **policy** shall be construed as separate applications for cover by each of **you** and, except as provided for above, no information provided by or representation made by one, will be imputed to another.

A breach of this Policy Section or knowledge or information possessed by one of **you** will not be imputed to another except as provided for above.

3. Related claims

For the purpose of the calculation of the **insured amount**, any sub-limit or **excess**, all **related claims** will be deemed to be one **claim** and cover for all **related claims** will be provided as follows:

- (a) if the first related claim is first made during the period of insurance and notified to us during the period of insurance or any applicable discovery period, then cover for all subsequent related claims will only be provided under this policy; and
- (b) if the first related claim was first made and notified to us during a period prior to the current period of insurance, during which you had cover with us, then cover for all related claims will only be provided under that earlier policy with us, subject to the terms, conditions and exclusions, excess and insured amount of that earlier policy; and
- (c) if the first **related claim** was first made during a period prior to the **period of insurance**, during which **you** did not have cover with **us**, then no cover for any **related claim** will be provided under this **policy**.

4. Notification

The **policyholder** must give **us** notification of any **claim** made against **you**, or any **loss**, as soon as reasonably practicable within the **period of insurance**.

Each notification of a **claim** must include so far as practicable:

- (a) the identity of the claimant or potential claimant;
- (b) the nature of the **claim**; and
- (c) the likely quantum of the claim.

The **policyholder** must provide **us** notification of any **business crisis event** as soon as reasonably practicable and during the **period of insurance**. Each notification of a **business crisis event** must include a full description of the event.

The **policyholder** must provide **us** with such further information and documentation as **we** may reasonably require.

5. Claims conduct

We are entitled to take over and conduct in **your** name the defence or settlement of any **claim** and will have full discretion in the conduct of any proceedings and in the settlement of any **claim**.

We reserve entirely **our** rights under this **policy**, including **our** right to agree or deny cover while **we** assess a **claim** or conduct a defence. **Our** rights under this Policy Section are not affected if **we** do not conduct the defence.

Neither **you** nor **we** will be required to contest or litigate any **claim** if, in the opinion of Senior Counsel (or equivalent), reasonable attempts should be made to settle the **claim**. The Senior Counsel (or equivalent) shall be mutually agreed upon, or in the absence of such agreement, as nominated by the President of the Bar Association of the relevant State or Territory jurisdiction. The cost to obtain the opinion will be advanced by **us** and treated as **defence costs**.

Senior Counsel (or equivalent) shall provide the opinion in writing. In formulating the opinion, Senior Counsel (or equivalent) shall consider commercial matters including the amount of the **claim**, the actual and potential **loss** (including **defence costs**) that may reasonably be incurred in contesting the **claim**, the liability prospects and the prospect of recovering costs against the claimant in the event that the defence is successful. Senior Counsel (or equivalent) will also provide a settlement range within which reasonable attempts should be made to settle the **claim**.

If it is the opinion of Senior Counsel (or equivalent) that reasonable attempts should be made to settle the **claim**, **you** will not object to **our** attempt to do so.

6. Settlement

You must not settle or offer to settle any claim, incur any defence costs or representation expenses or otherwise assume any contractual obligation or admit any liability in respect of any claim without our prior written consent.

If you object to a proposal by us to settle or compromise any claim payable under this Policy Section and wish to contest or litigate the matter, then you may so elect, but our liability in respect of any such claim so contested or litigated will not exceed the amount for which, but for such election, it could have been settled or compromised by us, together with defence costs payable in accordance with the terms of this Policy Section and incurred up to the time of such election.

7. Allocation of loss

This condition applies to any part of any loss resulting from a claim which is in respect of:

- (a) one of **you** only; or
- (b) more than one of you, whether jointly or severally; or
- (c) one or more of **you** and one or more persons or entities who is or are not covered under this Policy Section, whether jointly or severally,

and which is partly covered and partly not covered under this Policy Section (together 'Loss to be Allocated').

We must determine a fair and reasonable allocation of the covered part of the Loss to be Allocated among the relevant insureds and **us** having regard to the extent of each insured's comparative responsibility for the Loss to be Allocated.

Our consideration of what is fair and reasonable will include without limitation, the following factors:

- (a) the nature of the claim against each insured person;
- (b) the issues of fact and law in relation to each insured person;
- (c) the content and the manner of the conduct of any defence of the claim;
- (d) the relative degree of personal responsibility for the loss;
- (e) the extent to which the insured person's responsibility for the loss is joint, several or shared;
- (f) the extent to which any person or entity, other than that **insured person**, would obtain a benefit from the payment by **us**;
- (g) the extent to which the loss is solely of that insured person;
- (h) the extent to which the issues in the claim against that insured person are in common with the issues in the claim against any other person or entity;
- (i) the extent to which the loss is partly covered and partly not covered under this Policy Section;
- (j) in the event of a settlement, the likely comparative responsibility had the settlement not occurred.

If **you** wish to dispute **our** determination of the allocation, each party agrees that the dispute must be referred for expert determination in accordance with the Australian Commercial Disputes Centre ("ACDC") Mediation Guidelines, to an expert agreed by the parties, or if the parties do not agree on an expert, an expert nominated by the then current CEO of ACDC or the CEO's nominee.

Each party agrees to sign an agreement with the expert that confirms the following:

- (a) each party will pay an equal share of the fees for the appointed expert (to be charged at the expert's usual rate); and
- (b) the expert may:
 - (i) consider relevant industry practice;
 - (ii) consider all information presented to the expert by either party;
 - (iii) request more information from either party;
 - (iv) request a meeting with the parties (to which they may bring their lawyers); and
- (c) the expert must provide their decision within thirty (30) days after the agreement is signed, however reasons need not be given;
- (d) the expert's decision will be binding on the parties and final; and
- (e) all liability of the expert to either party will be excluded (including liability for negligence) to the full extent permitted by law.

This allocation applies for all purposes under this Policy Section including Additional Benefit 1 – Advancement of Defence Costs and Representation Expenses and Policy Section Condition 8 – Subrogation and Recoveries.

Any allocation of **loss** will not apply to or create a presumption with respect to the allocation of other **loss** on account of such **claim**.

This provision prevails over the Complaints Resolution provision contained in Part D of this **PDS** and Policy Wording with respect to **our** determination of the allocation, to the extent of any inconsistency and the extent permitted by law.

8. Subrogation and recoveries

Provision of information and assistance

You agree to provide us with all information, evidence, documentation, assistance and co-operation and to execute such documents, including signed statements and affidavits, which we reasonably request in the exercise of our rights of recovery.

You will at all times and at **your** own cost use reasonable endeavours to do and concur in doing everything reasonably practicable to assist in the exercise of **your** rights of recovery.

All recoveries

All money recovered from other parties will be allocated in accordance with section 67 of the Insurance Contracts Act 1984 (Cth) as at the date this **PDS** and Policy Wording was prepared.

All money recovered from other parties before settlement of any **claim** under this Policy Section will be held for the benefit of **us** and applied as stated immediately above after settlement, if any is made.

Recoveries do not include any amount recovered from insurance, surety, reinsurance, security or indemnity taken for the benefit of **us**.

9. Authorisation

The **policyholder** is the agent for each of **you** and each of **you** is bound by any statement, act or omission of the **policyholder** for all purposes under this Policy Section, subject to Policy Section Condition 2 – Severability and Imputation and Policy Section Condition 5 – Claims Conduct.

If the **policyholder** is more than one entity, then the first entity listed in the **policy schedule** will be deemed to be the **policyholder**.

10. Confidentiality

You must not disclose the existence or terms of this Policy Section, including without limitation the **insured amount**, the nature of the insurance or the premium payable to any person who is not insured except where:

- (a) you are required by law or stock exchange rules to do so; or
- (b) we provide our prior written consent to such disclosure.

11. Governing law

The construction, interpretation and meaning of the terms of this Policy Section will be determined in accordance with the laws of Australia and the State or Territory where the **policy** was issued. Any disputes relating to the construction, interpretation and meaning of the terms of this **policy** will be submitted to the exclusive jurisdiction of the courts of Australia.

12. Interpretation the singular includes the plural and vice versa.

A reference to any legislation or legislative provision includes any statutory modification or re-enactment of, or legislative provision substituted for, and any subordinate legislation issued under, that legislation or legislative provision (whether of Australia or elsewhere).

What we pay

Our liability to **you** under this Policy Section in respect of **loss** covered under this Policy Section resulting from **claims** first made against **you** and notified to **us** during the **period of insurance** (or the **discovery period**, if applicable) will not exceed the 'Management Liability' **insured amount** for all **loss** in total covered under the Policy Section during the **period of insurance**.

Except as provided by Optional Insurance 1 – Employee Dishonesty, we have no liability for any amount above the 'Management Liability' insured amount.

Any **discovery period** will not increase or reinstate the 'Management Liability' **insured amount** or any sub-limit of liability, which will be our maximum liability for the **period of insurance** and **discovery period**, combined.

- In respect of Optional Insurance 1 Employee Dishonesty, we will:
- (a) pay you the amount of lost money; and
- (b) at our option, replace lost covered property or pay the market value of the covered property.

Notwithstanding that the act of fraud or dishonesty may have been committed during more than one (1) period of insurance, the maximum amount **we** will pay for all claims covered under Optional Insurance 1 – Employee Dishonesty in the **period of insurance** is the 'Employee Dishonesty' **insured amount**.

Excess

The excess that applies to each claim for loss covered by this Policy Section is specified in **your policy schedule**. This excess also applies to claims for **business crisis consultant fees** covered by Additional Benefit 10 – Business Crisis Consultant Fees.

The excess that applies to each claim for fidelity loss covered by Optional Insurance 1 – Employee Dishonesty is specified in your policy schedule.

You are liable for the amount of loss or fidelity loss up to the excess for each claim under this Policy Section.

The excess is deducted from loss payable before the application of the 'Management Liability' insured amount or, in respect of Optional Insurance 1 – Employee Dishonesty, from fidelity loss payable before the application of the 'Employee Dishonesty' insured amount.

6. Vehicles being test driven by you

If a vehicle (not exceeding 2 tonnes) is being demonstrated to **you** or test driven by **you** or **your authorised driver** during the **period of insurance**, **we** will cover **your** or an **authorised driver's legal liability** for:

What we pay under Part 1

If we agree to pay a claim under Part 1, we will either pay you for a partial loss or a total loss.

If **we** agree to pay a claim for **legal liability** under any Additional Benefit in this Part, the 'Limits to what we pay' in Part 2 of this Policy Section will also apply.

Total loss

Your vehicle is a total loss if it is stolen and not recovered within a reasonable period of time after you have reported its theft to us and we are satisfied that your claim is in order or when we decide it is uneconomical or unsafe to repair.

Where we decide your vehicle is a total loss and the conditions applying to Extra Cover 1 – 'New vehicle after total loss' are met, you can choose to accept a new replacement vehicle of the same make, model and series as your vehicle. If you do not choose to accept a new replacement vehicle or Extra Cover 1 – 'New vehicle after total loss' does not apply, we will settle your claim in one of the following ways:

(A) Insured amount

If the **insured amount** of **your vehicle** is specified in **your policy schedule** as having **market value**, **we** will pay **you** the **market value** of **your vehicle**.

If the **insured amount** of **your vehicle** is specified in **your policy schedule** as a dollar amount, **we** will pay **you** the lesser of the dollar amount or **market value** of **your vehicle**.

Where **your vehicle** is not specified in **your policy schedule** (because it is an additional vehicle as defined in 'Cover for additional vehicles' on page 117), **we** will pay **you** the **insured amount** of **your vehicle**.

The **insured amount** of **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified in your **policy schedule**.

Any excess you must pay is deducted from the amount we pay.

If **we** pay the **insured amount** as a result of a **total loss**, then **your** cover for that **vehicle** comes to an end. Any Extra Cover, Additional Benefit or Optional Insurance for that cover also ends. There will be no refund of the premium for the unexpired **period of insurance**.

(B) Agreed value

If the vehicle is specified in your policy schedule as having agreed value, we will pay you the agreed value.

The **agreed value** for **your vehicle** includes accessories within the definition of **vehicle** plus any agreed accessory specified in **your policy schedule**.

The **agreed value** is the most **we** will pay for theft, **loss** of, or **damage** to, **your vehicle**. **We** will not deduct any input tax credit from the amount of the **agreed value** specified in **your policy schedule**.

Any excess you must pay is deducted from the agreed value.

If we pay the **agreed value** as a result of a **total loss** then **your** cover for that **vehicle** comes to an end. Any Extra Cover, Additional Benefit or Optional Insurance for that cover also ends. There will be no refund of the premium for the unexpired **period of insurance**.

Settlement Conditions Applicable to (A) and (B)

We will deduct any unpaid premium from the amount that we pay you.

Your vehicle, including any unexpired premium, registration and Compulsory Third Party (CTP) insurance, unless the law requires otherwise, becomes **our** property when **we** pay **you** for the **total loss**. If **we** ask, **you** must provide **us** with reasonable assistance to collect any unexpired registration and CTP insurance. Where **you** are entitled or required by law to obtain a refund for unused registration or CTP insurance, **we** will deduct those amounts from what **we** pay **you** for the **total loss**.

If another party (e.g. a bank) has a legally valid interest in **your vehicle** which is recorded in **your policy schedule** and **your vehicle** is a **total loss**, **we** pay them (instead of **you**) what **you** owe them up to the amount **you** are entitled to under this **policy**. If this amount is less than the full amount payable under the **policy**, **we** pay **you** the balance.

When we replace your vehicle or pay you for the total loss, your vehicle salvage becomes our property.

If another party is entitled to the salvage of **your vehicle**, then **we** will pay **you** or them the **insured amount**, less **our** estimate of the salvage value, any **excess** and unpaid premium. For example, this could occur if **you** had purchased **your vehicle** not knowing that it was used as security on a financial agreement involving the previous owner. This means the credit provider may be entitled to the salvage of **your vehicle**.

For an example of how we settle a total loss claim, see pages 141 and 142 of this PDS and Policy Wording.

Partial loss

Where your vehicle is a partial loss, we will decide if we:

- repair the damage;
- ▼ replace the **damaged** parts of **your vehicle**; or
- **v** pay you what it would cost us to repair the damage or replace the damaged parts of your vehicle.

If we settle your claim by paying you what it would have cost us to repair the vehicle, we can reduce the amount of cover to reflect the lower value of that vehicle in its damaged condition.

For an example of how we settle a partial loss claim, see page 143 of this PDS and Policy Wording.

Choice of repairer

We can arrange the repair of your vehicle with a recommended repairer if one is available, or alternatively you can choose your own repairer and arrange repairs with them. Where we are able to provide you with access to one of our recommended repairers, we will offer you a choice if there is more than one in your area. However, we may only be able to nominate one recommended repairer if there are no others available or in your area. Where we are unable to provide you with access to one of our recommended repairers, we will access to one of our recommended repairers, we will require you to choose your own repairer.

If we authorise repairs with a recommended repairer or your own repairer, we will:

- authorise the repair of your vehicle to the same or reasonably similar condition and standard it was in immediately before the event;
- authorise only the use of new parts or parts which are consistent with the age and condition of your vehicle (which may include using non-genuine and/or recycled parts);
- authorise only the use of the manufacturer's approved parts if your vehicle is under warranty, but not when your vehicle has an extended warranty or for windscreen replacement, window glass or radiator and air conditioning parts replacement. In the case of radiators and air conditioning systems, parts produced by genuine parts suppliers may be used;
- only pay the market value of damaged parts we consider to be obsolete;
- not pay for the replacement of undamaged parts which includes items that are part of a whole set when the loss or damage occurred to only part of the set (such as alloy wheels);
- replace damaged windscreen or window glass with glass which may not be produced by the original manufacturer but will meet Australian Design Rules; and
- guarantee the quality of materials and workmanship in respect of the repairs for the life of the vehicle. See 'Lifetime guarantee for repairs' below.

Any repairer **we** authorise to repair **your vehicle** may sub-contract some of the repairs to a person of their choice. This will usually occur when the repairer is unable to perform the repairs themselves.

If you choose your own repairer and we do not authorise repairs, we:

- will pay an amount equal to the **reasonable repair costs**; and
- ▼ will not provide any guarantee for the quality of materials and workmanship in respect of the repairs.

We are not responsible for any costs or losses which occur because of delays in delivery of parts. If a part is not available in Australia, we will pay the cost of surface freight from the nearest reasonable source of supply.

You are responsible for the cost of any air conditioning refit, re-gas or modification required by law.

Contribution to repair work

You may have to contribute to the cost of replacing or repairing tyres, engines, accessories, paintwork, bodywork, radiators, batteries, interior trims, or caravan annexes affected by wear and tear or rust and corrosion. How much **you** are required to pay will depend on how worn **we** consider these items were when the **damage** happened.

If you do not agree to pay these amounts, we will pay you the reasonable repair cost less any contribution charges.

We will subtract any excess that may apply.

Part 1 - Policy Section Conditions

Lifetime guarantee for repairs

If we authorise repairs for your vehicle, we will guarantee the repairs against any defect due to workmanship or faulty material for the life of your vehicle. The parts used in any lifetime guarantee repairs to a vehicle will be the same as those described under the heading 'Choice of repairer' above. If you are concerned about the quality of the repairs to a vehicle, you must contact us and make your vehicle available to us. You must not authorise any rectification work without our written authority.

We will inspect the repair and arrange any necessary rectification work. If, in **our** opinion, it would not be safe or economical to carry out the rectification work required, **we** will declare the **vehicle** a **total loss** and pay you an amount in accordance with (A) – 'Insured Amount' or (B) – 'Agreed Value' under the heading 'Total Loss' (see page 127), whichever applies to **your vehicle**. If **you** choose **your** own repairer and **we** pay **reasonable repair costs** instead of authorising repairs, **we** will not provide a lifetime guarantee for the repairs.

Vehicle identification

Where **your vehicle's** identification, such as its compliance, build or VIN plate or label, has been **damaged**, **we** will try to source a replacement from its manufacturer. If **we** cannot source it for **you**, **we** will attempt to obtain a letter from the manufacturer to confirm your **vehicle's** identity and that its original identification has been **damaged**. **We** will still repair **your vehicle** without replacing any **damaged** identification, unless an alternative form of identification is required by law.

Underinsurance

If at the time of the **event**, **your vehicle** was insured for less than 80% of its **market value** and **we** decide **your vehicle** is:

- ▼ a **total loss**, **we** will not apply this underinsurance condition; or
- ▼ a partial loss, we will pay the same proportion of the loss as the insured amount bears to 80% of the market value of your vehicle.

In assessing the amount **we** pay, prime movers and attached trailers and dollies are regarded as separate and distinct insured **vehicles**.

This underinsurance condition does not apply if **your vehicle** is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity.

No Claim Bonus (Comprehensive Cover Only)

A No Claim Bonus recognises **your** good driving and claims history record where **you** are insured for Comprehensive Cover.

Your policy schedule will show the type of No Claim Bonus you are entitled to (if any), and your premium will be charged accordingly.

How you earn a No Claim Bonus

If you are not entitled to a maximum No Claim Bonus, you will earn an entitlement to a bonus for the next period of insurance if there has been no claims that fall within the definition of a penalty claim.

The following will apply if you qualify for a No Claim Bonus:

For sedans, station wagons, 4 wheel drives or goods carrying vehicles with a carrying capacity of 2 tonnes or less:

Protected No Claim Bonus

If **you** are entitled to a maximum No Claim Bonus of 65% for sedans, station wagons, 4 wheel drives or goods carrying vehicles with a carrying capacity of not more than 2 tonnes, **we** may allow **you** to have the option when **you** first take out the **policy**, or upon renewal, to protect **your** No Claim Bonus for that **vehicle**. An additional premium is payable to extend the **policy** to include this option.

How making a claim could affect your No Claim Bonus

If you do not lodge a penalty claim

If you did not lodge a **penalty claim** during the **period of insurance**, then **your** No Claim Bonus will not be detrimentally affected at renewal of **your policy**.

Windscreen claims

When you renew your policy, your No Claim Bonus will not be affected for any windscreen or window glass claim you make.

Other claims

When you renew your policy, we reduce your No Claim Bonus for each penalty claim you have made during the period of insurance unless you have selected Optional Insurance 3 – 'Protected No Claim Bonus'.

If you have selected Optional Insurance 3 – 'Protected No Claim Bonus' for your vehicle, the subject of a claim, we will not count the first penalty claim on that vehicle during the period of insurance.

The amount **we** reduce **your** No Claim Bonus to is set out below:

For sedans, station wagons, 4 wheel drives or good carrying vehicles with a carrying capacity of not more than 2 tonnes:

| Your current No claim bonus | Following 1 penalty claim | Follow |
|-----------------------------|---------------------------|--------|

- ▼ a trailer;
- a caravan; or
- another vehicle which has broken down,

that is being towed by your vehicle or a substitute vehicle legally and not for reward; and

▼ a substitute vehicle.

What is legal liability?

Legal liability means that an Australian court or a court of an Australian external territory finds, or we accept, that:

▼ you;

- ▼ an **authorised driver**;
- ▼ a passenger in your vehicle; or
- ▼ your employer, principal or partner of the business,

are legally responsible to pay compensation for:

- (i) loss of, or damage to property, owned or controlled by someone else; or
- (ii) **personal injury** to another person (but only where the **legal liability** is not covered or capable of being covered by any compulsory third party insurance or public liability insurance),

caused by an event which occurs during the period of insurance in Australia or its external territories.

We will pay a claim for legal liability made against the persons named above as described in 'What we cover' if:

- ▼ "Commercial Motor" is specified in your policy schedule;
- ▼ it is not excluded by anything under "What we do not cover";
- ▼ it is not excluded by the Policy Section Exclusions;
- ▼ it is not excluded by the General Exclusions on pages 21 to 22; and

- ▼ loading goods onto your vehicle from a fixed place of rest directly beside your vehicle;

- ▼ for anything excluded by any other 'What we do not cover' section in Part 1 or Part 2 of this Policy Section;
- which is a direct or indirect result of discharge or escape of contaminants or pollutants or dangerous goods from your vehicle unless they are substances you are legally allowed to carry;
- for damage to property you own, control or are responsible for, or which belongs to someone who normally lives with you. However, this exclusion will not apply to your legal liability for damage to motor vehicles belonging to an employee or visitor which occurs within the confines of a private car park owned or operated by you;
- ▼ for personal injury to anyone who was your employee at the time of the event;
- for personal injury if you were or anyone else was required by law to have insurance for compensation, damages or similar insurance for injury (e.g. compulsory third party insurance or workers' compensation required by law);

 - ▼ the incorrect type of fuel; or
 - ▼ the fuel to the incorrect place.
- for damage to property resulting from an event arising out of the use of your vehicle while it is digging, excavating, boring or drilling. However, we will pay if your vehicle is being used for the sole purpose of travelling to or from any work site or transporting or carting goods at the time of the event and is not being used at the time of the event for any other purpose including any specific activity for which it was designed.
- ▼ to pay fines or punitive, exemplary or aggravated damages;
- ▼ arising directly or indirectly from:
 - ▼ the transportation, distribution, or storage of asbestos; or
 - ▼ any material containing asbestos or any process of decontamination, treatment or control of asbestos.

For the avoidance of doubt, the above asbestos exclusions only apply to **personal injury** arising in consequence of inhalation or physical exposure to any type of asbestos fibre or its derivative, and to **damage to property** due to the presence of asbestos.

- (b) costs and charges reasonably and necessarily incurred by **you** in removing or cleaning up debris, unless stated otherwise; and
- (c) costs and charges reasonably and necessarily incurred to extinguish a fire that your vehicle has caused.

We will also pay for legal costs in representing you or any other person covered at any inquest, court proceedings or other inquiry relating to an event which may give rise to your legal liability, if we have given our prior written consent to you incurring these costs.

You must pay any excess that may apply.

For an example of how we settle a liability claim, see page 144 of this PDS and Policy Wording.

Limits to what we pay

If we agree to cover **your legal liability** under Part 2, the most we will pay for all claims arising directly or indirectly from one (1) event is \$50 million (unless another amount is specified on **your policy schedule**) but restricted to:

- (a) \$1,000,000 for any one (1) **event** occurring within the external territories of Australia, but only in respect of the death or bodily injury to another person;
- (b) \$1,000,000 (unless another amount is specified on your policy schedule) where your vehicle is being used for the transportation of dangerous goods or is attached to, or is towing, a vehicle used for the transportation of dangerous goods; and
- (c) \$500,000 during the period of insurance in respect of all claims under Additional Benefit 1 Pollution of Part 2.

These amounts include all legal costs and expenses.

These limits also apply to any cover for **legal liability** provided under any Extra Cover, Additional Benefit or Optional Insurance (both Parts 1 and 2) or **endorsement** unless a lower limit is specified in the Extra Cover, Additional Benefit or any **endorsement**.

These limits are the most we will pay even if there are several claims against you relating to the one (1) event.

Optional Insurance

We may allow you to choose one or more of the following Optional Insurance when requested by you and when you pay any additional premium required. If an Optional Insurance applies to your policy, it will be specified in your policy schedule. We will not pay if the loss, damage or legal liability is excluded by any of the policy exclusions (to avoid doubt, including the exclusions in Part 1, Part 2, General Exclusions, the Policy Section Exclusions or any endorsement).

1. Windscreen excess waiver

What we cover

You will not have to pay the Basic Excess for the first windscreen or window glass claim for a **vehicle** in any **period of insurance**. If **you** have any additional windscreen or window glass claims during the same **period of insurance** for the same **vehicle**, the Basic Excess will apply.

This Optional Insurance only applies if **your vehicle** is a car, utility, 4WD or van of not more than 2 tonne carrying capacity.

2. Rental vehicle after accident

What we cover

If **your vehicle** cannot be driven or is in need of repair following **loss** or **damage** as a result of an **event** (other than theft) for which **we** agreed to pay a claim under Part 1 of this Policy Section, **we** will reimburse **you** for the cost of a hire vehicle:

(a) of a similar type to your vehicle; and

(b) from the date your vehicle is left at the repairers.

For cover applicable to the hire vehicle please refer to Additional Benefit 3 – 'Hired Vehicle' and Extra Cover 11 – 'Hire vehicle after theft' of Part 1.

X What we do not cover

We will not pay if your vehicle is not a car, utility, 4WD or van of not more than 2 tonne carrying capacity. We will not pay:

(a) if your vehicle is stolen;

(b) to hire a vehicle for any longer than the day after repairs to your vehicle have been completed;

(c) after your claim has been paid if your vehicle is a total loss;

(d) the running costs of the rental vehicle; or

(e) for any other non-rental costs which you may be liable to pay for under a hire agreement.

We will not pay more than \$1,500 for any one (1) event.

3. Protected No Claim Bonus

What we cover

Where a **penalty claim** would affect **your** No Claim Bonus, it will not be affected for a **vehicle** provided that **you** have not made a previous **penalty claim** for an event occurring in the **period of insurance** for that same **vehicle**.

X What we do not cover

This Optional Insurance does not apply:

- ▼ if your vehicle is not a car, utility, 4WD or van of not more than 2 tonne carrying capacity; and
- ▼ unless you are entitled to a maximum No Claim Bonus for your vehicle.

4. Damage to towed vehicles

What we cover

If your **vehicle** is a registered tow truck, **we** cover all amounts **you** become legally liable to pay for **loss** of, or **damage** to, any vehicle being towed, retrieved or carried by **your vehicle**, in the **period of insurance** in Australia or its external territories.

X What we do not cover

We will not pay:

- ▼ for any one event, more than \$150,000 for loss of, or damage to, any vehicle(s) being towed, retrieved or carried by your vehicle, or
- ▼ if **your vehicle** and the vehicle being towed, retrieved or carried are being operated contrary to any law or regulation relating to the use of a tow truck.

Excess

The Basic Excess is the amount **you** will have to pay if **you** claim under **your policy**, unless stated otherwise. **Excesses** are cumulative. If **you** also claim under another Policy Section for one (1) **event**, the **excesses** payable under this Policy Section apply in addition to all other **excesses**.

For each **event**, or series of **events** arising from the one (1) originating cause, **you** will bear the amount of the **excess** in respect of each and every insured **vehicle**, unless stated otherwise.

The Basic Excess is specified in **your policy schedule**. The amounts for any other **excesses** (or where the amounts can be found in this **PDS** and Policy Wording) are detailed below on page 136. **You** might have to pay more than one type of **excess** when **you** claim.

You must pay the excesses in full.

We will decide if you pay the excess to us (when we ask for it) or to the repairer when you pick up your vehicle after it has been repaired. We can also choose to deduct the excess from the amount we pay you. In the case of a new replacement vehicle, we may require you to pay the excess before taking delivery of the new vehicle.

You do not pay any excess when your vehicle is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity and if:

- (a) a third party's vehicle is involved in the event, and we agree the driver of your vehicle was not at fault, and you can identify the other vehicle and the other driver responsible (by providing us with their name, residential address, phone number and vehicle registration details); or
- (b) no other vehicle is involved in the event, and we agree the driver of your vehicle was not at fault, and you can identify another person at fault (by providing us with their name, residential address and phone number) and we agree that they were at fault.

Types of excesses

Basic excess

The Basic Excess that applies to a vehicle when you claim is the amount specified in your policy schedule.

Age or inexperienced driver excess

An age or **inexperienced driver excess** applies if a driver under 25 or an **inexperienced driver** was in charge of **your vehicle** at the time of an **event**. This **excess** will not apply to glass, damage while parked, fire, malicious damage, theft or storm claims.

If we accept a claim where the driver was less than 25 years of age or was an **inexperienced driver**, the following age or **inexperienced driver excesses** will apply to the claim when:

- the **vehicle** is a car, 4WD, utility or van of not more than 2 tonne carrying capacity:
 - (i) for drivers under 21 years of age \$500;
 - (ii) for drivers 21 years of age or older \$300;
 - (iii) for inexperienced drivers \$250.
- ▼ the **vehicle** is a prime mover and:
 - (i) the insured amount for the prime mover is less than \$100,000 or it is insured for Legal Liability Only the age or inexperienced driver excess is \$2,500 or \$3,500 if the prime mover was towing more than one trailer at the time of the event;

- (ii) the insured amount for the prime mover is \$100,000 or more but not more than \$200,000 the age or inexperienced driver excess is \$10,000 or \$15,000 if the prime mover was towing more than one trailer at the time of the event;
- (iii) the **insured amount** for the prime mover is more than \$200,000 the age or **inexperienced driver excess** is \$25,000 or \$37,500 if the prime mover was towing more than one trailer at the time of the **event**.
- the vehicle is not a car, 4WD, utility, van of not more than 2 tonne carrying capacity or prime mover the age or inexperienced driver excess is \$750.

You must pay the age or **inexperienced driver excess** in addition to any other **excess** for **your vehicle** that may be payable. For the purposes of the application of the age or **inexperienced driver excess**, a dolly is considered a trailer.

Tipping excess

A tipping **excess** applies if **your vehicle** is a trailer or rigid body truck and it is **damaged** while the tipping hoist is partly or fully extended. The tipping **excess** is \$1,000 and **you** pay this in addition to any other **excess** payable for **your vehicle**.

Theft excess

A theft excess of \$2,500 applies to each claim for theft or damage occasioned by theft of:

- (a) your skid steer loader, excavator, loader, backhoe or bobcat; or
- (b) any of their accessories, whether these accessories are attached to **your vehicle** at the time of the theft or **damage** or not.

You pay this in addition to any other excess for your vehicle that may be applicable.

Endorsement excess

An **endorsement excess** may apply if **you** have **endorsements** to **your policy**. Any **endorsement excess** applicable to **your policy** will be specified in the **endorsement** wording.

You pay the endorsement excess specified in the endorsement wording in addition to any other excess for your vehicle that may be payable.

Radius excess

A radius excess applies if we accept a claim for loss or damage to your vehicle or legal liability and at the time of the event, your vehicle was on a journey to or from a destination beyond the maximum radius of operation specified in your policy schedule measured from your vehicle's garaged postcode specified in your policy schedule.

The radius excess is:

- (a) \$500 if your vehicle is a truck or bus;
- (b) \$2,500 if **your vehicle** is a trailer which at the time of the **event** was being towed by a prime mover or \$500 if being towed by a truck; or
- (c) \$7,500 if **your vehicle** is a prime mover.

You pay the radius excess in addition to any other excess for your vehicle that may be payable.

Additional Benefit excesses

Please refer to pages 124 to 126 and 133 to 134 for the amount of any **excess you** might have to pay if **you** make a claim under any Additional Benefit in Part 1 or Part 2 of this Policy Section.

Application of excess involving trailer and towing vehicle

If a trailer being towed by your vehicle damages the property of another person and:

(a) only the trailer was damaged, the excess for the towing vehicle will apply; or

(b) there is no damage to either the trailer or towing vehicle, the excess for the towing vehicle will apply.

General Claims Conditions

In this section, a reference to 'you' also includes where the context requires an authorised driver.

You must comply with the following conditions if an **event** occurs which may lead to or results in a claim. If you do not comply with these conditions, we may refuse your claim or reduce the amount we pay you.

You must:

- Contact our Vero Claims Team as soon as possible on 1300 888 073. We are available 24 hours a day, 7 days a week. Our staff will advise you whether to bring your vehicle to one of our assessing centres or take it to a repairer. We can help with any other arrangements necessary to get you back on the road as quickly as possible.
- Do everything reasonable to limit and prevent further loss, damage or legal liability.
- If someone has stolen, attempted to steal or maliciously damaged your vehicle, call the Police immediately. If we ask, you must provide us with the name of the Police Officer and Police Station where you made the report and give us all known details of the event.
- Obtain the full names, addresses and phone numbers of all drivers and passengers involved and any witnesses to the event. You will also need to obtain the vehicle registration number and insurance details of all vehicles involved. If damage is caused to buildings and other property, you will need to provide details of the address and owner's name.
- ▼ Give us any information, documentation and other assistance that we need to handle the claim. This may include being interviewed. If we ask you for a statutory declaration verifying the details of your claim and any other matters connected with the claim, you must provide it.
- If you get demands, a notice of prosecution, details of any legal proceedings, inquest or similar communications from other parties involved in an event, you must tell us immediately. If you delay in telling us, we may not cover any legal or other costs that result from that delay.
- Tell us your entitlement to input tax credits (ITCs) for your insurance premium if you are registered, or are required to be registered for goods and services tax (GST) purposes. If you do not inform us of your entitlement, or the information you give us is incorrect, we will not cover you for any resulting fines, penalties or tax liability you incur.
- Retain and preserve your damaged vehicle and property for inspection by us or our agent (including a loss adjuster) prior to authorisation of repairs unless repairs are immediately necessary for safety reasons or to minimise or prevent further loss, damage or legal liability.

What you must not do:

- Unless we have agreed, negotiate or promise anyone a payment, authorise any repairs (except emergency repairs to your vehicle, see page 120 for details) or dispose of any damaged property.
- ▼ Accept any payment (including excess payments) from anyone unless we agree first.

When you make a claim you agree that:

- **You** must let **us** inspect and, if necessary, move **your vehicle** before repairs begin.
- You must co-operate and provide us with all reasonable assistance in connection with any investigation, negotiation, recovery, defence or settlement of any claim, including doing all things necessary to allow us to take over legal proceedings in the circumstances described in General Policy Conditions – Rights of Recovery on page 19.
- We have the right and full discretion to conduct claims. If we decide to defend you, settle any claim against you, represent you or try to recover money from the person who caused the loss or damage, you must give us all the assistance we need, including assistance after your claim has been paid. We may engage legal or other representatives to assist in the conduct of a claim.
- ▼ You must allow us to make admissions, settle or defend claims on your behalf on terms we consider appropriate.
- You must allow us to take legal action in your name against another person to recover any payment we have made on a claim whether before or after we have paid your claim, or whether or not you have been compensated or paid in full for your actual loss.
- You must provide proof of your ownership of any lost or damaged vehicle or property. We will decide what is acceptable proof of ownership, however, it may include your vehicle's log book, receipts, a valuation or warranty documents.
- ▼ You must pay any excess that applies to a claim under this **policy** in full prior to settlement of that claim. We have no liability to you under this **policy** until you have paid the excess. If the excess has been requested but remains unpaid, we may:
 - ▼ decline to settle the claim until full payment of the excess has been received; or
 - deduct the **excess** from the settlement **we** pay.
- After settling a claim where we have declared your vehicle a total loss, that vehicle including any unexpired registration or CTP insurance, unless otherwise required by law, becomes ours and we are entitled to receive the proceeds from any salvage of that vehicle.

Work dollar claim examples

The following worked dollar claim examples are designed to assist **you** in understanding some of the benefits in this Policy Section and how claims are calculated. The examples do not cover all scenarios or all benefits and do not form part of **your policy** terms and conditions. The following should be used as a general guide only. We always determine real claim payments on an individual basis, after **we** have assessed each claim. **You** should consider all examples as each covers different benefits and scenarios.

All amounts are shown in Australian dollars and are GST inclusive unless indicated otherwise. **You** should read the **PDS** and Policy Wording and **your policy schedule** for full details of what **we** cover as well as what policy limits, conditions and exclusions apply.

Example: Total loss - Market value

A car that has a carrying capacity of not more than 2 tonnes is comprehensively insured for market value. The Basic Excess is \$500. The vehicle is damaged in an event and we assess the cost of repair to be \$20,000. We decide it is a total loss.

The market value is determined as follows:

The vehicle is an 8 year old sedan in poor condition. A motor vehicle guide records the market value at \$20,000 for good condition. We assess the market value to be \$15,000.

| How much we pay | | Further information |
|-------------------------------|-----------|---|
| Market value | \$15,000 | The vehicle is a total loss with a market value of \$15,000. We normally decide a vehicle is a total loss if it is unsafe or uneconomical to repair (e.g. the complete repair cost exceeds the market value less salvage value). |
| Less InputTax Credit (ITC) | - \$1,364 | If you are registered for GST and entitled to an ITC we will deduct this entitlement. In this example, you are entitled to a full ITC (100%). |
| Less excess | - \$500 | Only the Basic Excess applies in this example. We deduct this from the amount we pay to you. |
| Total claim | \$13,136 | We would normally pay this amount directly to you in a total loss situation. |
| Plus lease payout | \$2,200 | If, instead of owning your vehicle outright, your vehicle was purchased under a finance lease and the amount owing was \$17,200 (excluding any payments in arrears and resulting interest), we will pay the difference between the amount owing under the finance arrangement and the market value (\$17,200 – \$15,000). This benefit has a limit of 20% of the market value (\$3,000). |
| Less ITC | - \$200 | In this example you are entitled to a full ITC (100%). |
| Total claim | \$15,136 | We would normally pay the claim directly to your financier and not to you in circumstances of a lease payout. You pay your financier any amounts left owing. |

If the vehicle in the above example was less than 2 years old at the time of the event, instead of paying the claim above, you can choose to accept a new vehicle including similar accessories and parts plus on-road costs, e.g. registration, compulsory third party, pre-delivery. You must pay the excess to the dealership that has provided the new vehicle or us.

If the vehicle salvage is valued at \$1,000, the salvage becomes our property and we are entitled to keep the \$1,000 from its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless you obtain these refunds directly in which case we will deduct these amounts from the total claim above.

Example: Total loss – Agreed value

A utility that has a carrying capacity of not more than 2 tonnes is comprehensively insured for an agreed value of \$45,000. The vehicle is damaged in an accident that we agree was not your fault and you have identified the at fault party and provided all their details that we require.

We assess the cost of repair of your vehicle to be \$50,000. We decide it is a total loss. The vehicle is not subject to finance. The Basic Excess is \$500.

| How much we pay | | Further information |
|--------------------------------|---------------|---|
| Agreed value | \$45,000 | The vehicle is a total loss with an agreed value of \$45,000. We normally decide a vehicle is a total loss if it is unsafe or uneconomical to repair (e.g. the complete repair cost exceeds the agreed value less salvage value). |
| Less Input Tax Credit (ITC) | \$0 | We do not deduct any ITC when your vehicle is comprehensively insured for agreed value. |
| Less excess | \$0 | No Basic Excess applies in this example as the accident was not your fault and you have provided all the details of the at fault party that we require. |
| Total claim | \$45,000 | We would normally pay this amount directly to you in a total loss situation, unless your vehicle is subject to finance. |
| If the vehicle salvage is | valued at \$1 | 0,000, the salvage becomes our property and we are entitled to keep the |

If the vehicle salvage is valued at \$10,000, the salvage becomes our property and we are entitled to keep the \$10,000 from its sale plus any registration and compulsory third party insurance refund. This does not affect the calculations above unless you obtain these refunds directly in which case we will deduct these amounts from the total claim above.

Example: Partial loss - Repair

A vehicle that has a carrying capacity of not more than 2 tonnes is comprehensively insured for market value. We assess the market value to be \$10,000. The Basic Excess is \$500. The vehicle is stolen and subsequently recovered, damaged, 13 days later. We assess the cost of repairs to be \$5,500.

| How much we pay | | Further information |
|----------------------------|----------------|--|
| Damage to vehicle | \$5,500 | We normally decide the vehicle is repairable if it is economical and safe to repair. |
| Less excess | - \$500 | Only the Basic Excess applies in this example. We normally require you to pay the excess directly to the repairer. |
| Total claim | \$5,000 | We would normally pay this amount directly to the repairer in a partial loss situation. |
| If personal effects to th | e value of \$3 | 50 are also stolen during the theft: |
| Plus personal effects | + \$350 | Personal effects cover is limited to \$1,000 per event if the vehicle is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity. The sub-limit of this Extra Cover is in addition to the market value of the vehicle. |
| Total claim | \$5,350 | We normally pay the \$350 for personal effects to you (and the remaining \$5,000 directly to the repairer). |
| If a hire vehicle of a sir | nilar type for | a cost of \$100 per day is arranged by us : |
| Plus vehicle hire cost | + \$1,700 | The cost per day multiplied by the number of days from the date of theft until the date the vehicle is repaired 17 x \$100 (it takes 4 days to repair the vehicle). This Extra Cover has a limit of up to 30 days and we will not pay more than \$3,000 if the vehicle is a motorcycle, car, 4WD, utility or van of not more than 2 tonne carrying capacity. |
| | | This Extra Cover would not apply if the vehicle was damaged in an accident. This Extra Cover only applies if your vehicle was stolen. |
| Total claim | \$7,050 | We normally pay the \$1,700 for vehicle hire directly to the hire company (the \$350 to you and the \$5,000 to the repairer). |
| | | |

Example: Legal liability

A vehicle is insured for Legal Liability Only. The vehicle is involved in an accident and the other driver claims that the driver of your vehicle has a legal liability for the accident. The damage to the other vehicle would be assessed by a court at \$12,500. There is a Basic Excess of \$500 on your policy. The legal costs to defend your legal liability are \$3,000.

| How much we pay | | Further information |
|---|------------|---|
| Damage to other vehicle | \$12,500 | We normally pay the cost of repairs directly to the third-party claimant. |
| Less excess | - \$500 | Only the Basic Excess applies in this example. We normally require you to pay this amount to us before we act on your behalf. |
| Plus our legal costs | + \$3,000 | We incur and do not charge you for these costs providing you have paid your excess prior to legal costs being incurred. |
| Total claim | \$15,000 | |
| The driver of your vehicle was not at fault and the driver of the other vehicle was at fault but was not insured. You provide us with the details of the other driver. The Basic Excess is \$500. For the purposes of this example it is assumed that your vehicle is covered for Legal Liability Only. | | |
| 'Damage by uninsured drivers' Extra Cover | \$4,500 | You are not covered for damage to your vehicle because it is insured for Legal Liability Only. Under Part 2, Extra Cover 1 – 'Damage by uninsured drivers' provides limited cover in these circumstances for up to \$5,000. For the purposes of this example, we assess that the damage to your vehicle will cost more than its market value of \$4,500. We decide your vehicle is a total loss. |
| Less Input Tax Credit (ITC) | - \$409.09 | If you are registered for GST and entitled to an ITC we will deduct this entitlement. In this example, you are entitled to a full ITC (100%). |
| Less excess | - \$500 | Only the Basic Excess applies in this example. We deduct this from the amount we pay you. |
| Less residual value of wreck | - \$500 | The remaining value of your damaged vehicle. We deduct this from the amount we pay you. |
| Total claim | \$3,090.91 | We normally pay this directly to you. You will keep the damaged vehicle. |
